Dear Ms Heaver

On behalf of Parents And Children Together (PACT), I would like to thank you and everyone at the Reading Rotary for your very generous grant of £1000 for Bounce Back 4 Kids materials. Your kind grant will go a long way in helping the increasing number of vulnerable children, women and families in Reading, London and beyond.

PACT has continued to support the most vulnerable members of our community recover from trauma, abuse and multiple disadvantages. We have seen our waiting lists grow and, as the cost of living crisis continues, we know the need for our services will increase.

In the 2024/2025 PACT placed 84 children with their new families and our Adoption Support team took over 400 referrals from PACT families needing extra advice and help.

Our community projects were also in high demand. Bounce Back 4 Kids, our specialist support programme for children and their parents who have been victims or witnesses of domestic abuse, supported 448 children and parents last year. In the same period Alana House, PACT's women's community project, received 415 referrals for a variety of needs, with 62 coming from our partnership with the Royal Berkshire Hospital.

**This is only possible because of the generous contributions from
caring supporters like you.**

I would like to invite you to visit our Community Café at Alana House and see first-hand the work we do and have the opportunity to acknowledge your grant with a photograph and thanks on our social media channels.

Please contact Sarah Hacker on Sarah.Hacker@pactcharity.org to arrange a date

Very best wishes,

Natausha Van Vliet - Chief Executive
