Dear Lizzie and all at Reading Rotary Community Projects

I am writing to you all on behalf of the Women's Centre to say a heartfelt thank you for your very generous donation of £1000. We were absolutely thrilled to receive this especially as we have been struggling financially, this will help us to continue providing some activities for our ladies.

Our Centre provides a very necessary service to the women of Reading who are at a disadvantage in the community, such as those who have suffered from abuse, violence, have mental health problems, physical health problems, are lacking in self-confidence or are just lonely and isolated. We try to enrich their lives and enable them to integrate back into the community by providing a 'listening ear', friendship and support.

Thank you so much for helping us in continuing our work.

Warm regards
